## Art Teachers & Students

The first annual Abe Days in Bucyrus will be held on August 6, 7 & 8, 2009 at the Crawford County Fairgrounds. This three-day fun filled event is a commemoration of Abe Lincoln's 200th birthday and celebration of living along the Historic Lincoln Highway in Ohio.

Abe Days is being hosted by the Bucyrus Tourism and Visitors' Bureau and as part of this event, there will be two art competitions we would like to encourage area students to participate in. Thus, we are inviting area art teachers to incorporate this into the end of their year if they can.

All entries that are done through the schools can be delivered to the tourism office by the end of school this year. We will gladly house them until the judging - just call ahead a day or two.

We will also be hanging flyers around town in early summer, so if you would like to send a flyer home to your students' family instead of working in the classroom, please use the enclosed form.
